OBJECTIVE

A detail-oriented and highly motivated individual with the passion to learn new things, think creatively, analyze data based on the user experience.

EDUCATION

BSc in Software Engineering 2020 - Current
Islamic University of Technology, Gazipur. CGPA: 3.48/4

Higher Secondary Certificate 2017 - 2019
Shamsul Hoque Khan School & College, Dhaka. CGPA: 5/5

EXPERIENCE

Product Management Intern 28 May, 2023 - 28 September, 2023
Bondstein Technologies Limited

During the internship period of four months at Bondstein Technologies Limited, I have acquired insights into the domain of software development, examining it from a business perspective. Additionally, I had the opportunity to explore the complexities of effectively integrating technology solutions into real-world scenarios.
